Aesthetically Pleasing Brushes

1 JAPONESQUE® **Travel Short Handle Brushes** are made of exceptional quality, uncompromising materials, and superior craftsmanship. All JAPONESQUE® Short Handle Travel Brushes feature the same professional quality materials and construction as Pro Long Handle Brushes, simply in a more compact, travel friendly size. 800-955-6662 or www.japonesque.com

3 Make-Up Designory's **Travel Brush Kit** is a sleek, envelope-style brush case that is custom designed to hold MUD travel size brushes: 210S, 300S, 310S, 330S, 710S, 800S, and 810 series. The lightweight yet durable black microfiber material wipes clean, and the convenient magnetic closure keeps brushes in place during transit. 818-729-9420 or www.mudshop.com

2 DERMABLEND™ PROFESSIONAL introduces their new eco-friendly brushes that provide flawless application while using materials like recycled aluminum and bamboo. Within this new eco-friendly collection is their **face & body brush** and their **powder brush**. 877-900-6700 or www.dermablend.com

4 jane iredale's brushes are composed from the finest natural material available and they are designed to be both effective and gentle. Inspired by the sobriety and functionality of Scandinavian design, these brushes are hand-tied so only the kindest part of the hair touches your delicate skin. 800-762-1132 or www.janeiredale.com
