1. **DERMABLEND PROFESSIONAL MAKEUP BRUSHES** are made with the environment in mind and designed for precise application of powders for the face and body. These soft, incredible brushes can be found at Macy's, Dillard's, and www.dermablend.com.

2. **NORMADERM TRIPLE-ACTION ANTI-ACNE HYDRATING LOTION** is a three-in-one formula that clears acne, mattifies, and hydrates skin. After just one week of use it will deliver healthier-looking skin. Visit www.vichyusa.com to learn more about Normaderm and other skin solution formulas by Vichy.

3. **CELLCEUTICALS INTERACTIVE MOISTURE SERUM** is a moisturizing solution that offers intense hydration without leaving the skin feeling oily or greasy. The serum works well with all skin types and also all climates. Check out www.cellceuticalskincare.com for more information.

4. **FORMULA LA SHAMPOO AND CONDITIONER**. Angelenos know all too well the environmental challenges we face each day which wreak havoc on our hair. Not to fear, Formula LA Shampoo and Conditioner are the first hair care products designed to combat L.A.'s UV rays, dry air, hard water, and pollution. These revolutionary products not only allow you to "wash L.A. out of your hair" but also contain nourishing vitamins and extracts to promote health and strength. Available at: www.formulacosmetics.com as well as Lucky Scent (Beverly Hills), Head First Salon (Redondo Beach), Beverly Hills Color Bar, Brent-Air Pharmacy, Beverly Glen Pharmacy, and Dana's Salon in Palos Verdes.

GLEAM BODY RADIANCE BY MELANIE MILLS is both a body lotion and makeup that delivers an enhanced glow and even tone for all skin types and skin colors. GLEAM Body Radiance is used on all the dancers and contestants in *Dancing with the Stars* to give them that extra beautiful glow. For more information on the wonderful makeup artist Melanie Mills and to purchase, visit www.gleambymelaniemills.com.
