Jimmy Choo

Jimmy Choo's first fragrance has a green top note, heart note of tiger orchid, and a base note of toffee and sensual Indonesian patchouli. This is a scent comprising equal measures of female empowerment and elegance and one that evokes glamour, confidence, desire and refined sexuality. The exquisite amber bottle encasing the Eau de Parfum is inspired by jewel-colored Venetian Murano glass, evocative of the jewel-encrusted Jimmy Choo stilettos that grace the red carpet.
