Ultra Sheer Sunscreen Launched. Replenix Ultra Sheer Sunscreen SPF 55 from Topix Pharmaceuticals, Inc. features Singlet Photo-Stabilization Technology. Formulated with Avobenzene 3.0%, Octinoxate 7.5%, Octisalate 5.0% and Oxybenzone 5.0%, the sunscreen is formulated to be gentle on sensitive and acne-prone skin. The lightweight, ultra-sheer formula is ideal for daily use and suitable for application under makeup, the company says. The product also contains liposome encapsulated Vitamin E, Green Tea Polyphenols and Co-Q10. Replenix Ultra-Sheer Sunscreen SPF 55 is distributed primarily through dermatologists and plastic surgeons. Topixpharm.com

New Mineral Powder Available. New Smooth Indulgence Mineral Finishing Powder from Dermablend helps even out skin tone and minimize skin redness while giving a youthful and natural healthy appearance. In addition, it controls excess shine and absorbs oils to keep skin looking fresh and clean for hours, the company says. Dermablend.com

All in One. Entertainment Fusion Group released O.N.E., a beauty product based on the hydrating and soothing power of antioxidant rich olive oil.

Combined with just four other all-natural ingredients—sunflower oil, vitamin E, lavender, and geranium essential oils—O.N.E is paraben-free, and USDA-certified organic. The multifunctional formulation is a moisturizer for face and body, make-up remover and cleanser, or nourishing hand and cuticle cream.

Own the Night. The new Eraclea Restorative Hydrating Night Cream features the patented HylaSponge System with mega-hydration properties derived from three forms of the anti-aging agent hyaluronic acid. This non-greasy cream firms, repairs and restores skin while you sleep, the company says. Eraclea Restorative Hydrating Night Cream also contains squalane, argireline, lacto-ceramide, shea butter, vitamin C, green tea extract, rose hip oil, and macadamia nut oil. Eracleaskincare.com
